PLEA IN BAR IS UNDER ADVISEMENT

Neel Seeks to Escape Embezzlement Charge

FORMER CASHIER OF STANLEY DEPOSIT BANK.

NEGRO INDICTED FOR MURDER

Number of Indictments Returned Against Owensboro Dealers For Selling Cigarettes.

Pleas in bar made by the defendant in the case of the commonwealth against Estill W. Neel on the charge of embezzlement was argued before Judge Birkhead yesterday and taken under advisement until next Thursday. B. W. Bradburn and John Rhodes, of Bowling Green, and Judge J. D. Atchison and Ben D. Rigdon and C. M. Finn the commonwealth.

Neel was formerly cashier of the Stanley Deposit bank and was charged, nearly two years ago, with being short in his accounts. The grand jury indicted him on two charges, making false entries on the books of the banks and embezzlement of its funds. He was tried on the former charge several months ago and acquitted. The defense seeks to show that the two indictments charge the same offense and to establish the prosecution for making false entries as a bar to that for embezzlement.

Neel is now living at Morgantown. He came to Owensboro yesterday with his attorneys and sat in the court room while the pleas in bar was being argued.

The grand jury returned an indictment charging murder against John Smith, the negro who is said to have pushed George Hardin Simmons, a young white man, into the river from the deck of the steamer Tarascon, causing his death by drowning. Smith is in jail. His defense will be that Simmons deliberately jumped overboard.

Will Hays was indicted for breaking into a store house, Robert Powell for cutting in sudden affray and Willie Alles for petit larceny.

A number of indictments were returned on the charge of furnishing cigarettes to minors. They are as follows:

Thomas Smith, two cases; Nellie Blandford, Edward Montgomery, Willard Bates, Birk Dugan, Robert Karn.

BADLY MIXED UP

Abraham Brown, of Winterton, N. Y., had a very remarkable experience, he says: "Doctors got badly mixed up over me. One said heart disease; two called it kidney trouble; the fourth blood poison, and he fifth stomach and liver trouble. But none of them helped me, so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed. Guaranteed for blood poison, weakness and all stomach, liver and kidney complains, by Friedman's pharmacy.

NEWS OF THE RIVER.

Thursday proved a very quiet day on the river front and the regular boats were in and out with light trips.

The river was falling here yesterday and reports from up river points indicate a decline. The weather yesterday was cool and fairly pleasant.

The Tell City was in port yesterday morning from Evansville.

The Glenmore was the Louisville packet yesterday.

Rheumatism

Have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But it can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Berlin—I found the best ingredient with which Dr. Shoop's Rheumatic Remedy is made. This ingredient, a specific for Rheumatism. Without the least ingredient, I successfully treated many cases of Rheumatism; but now, at last, it unites—it cures all curable cases of this hereditary much dreaded disease. Those sand-like granular wastes, found in rheumatic blood, seem to dissolve and pass away under the action of this remedy as fast as does sugar when added to pure water. And then, when dissolved, those pain wastes pass off through the kidneys. The cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We will, and in confidence recommend

PATHETIC TALE OF LOVE'S LABOR LOST

Berry Had Played Last Harmony Card

BEFORE DECIDING TO RESIGN HIS POSITION.

AS PRESIDENT OF THE A. S. OF E

Tells Public That He Has No Fear of Trouble Now Nor at Any Future Time.

To the Public: For fear that my resignation might be interpreted as meaning that I feared trouble might come to this county and resigned the office of president, thereby hoping to be out of that position before any trouble might come, I will say that such is not the case and that such was not the cause of my action. I realized that if my resignation was made public at this time that some might feel apprehensive in regard to the peace of this county and for such a reason I did not wish it to be made public, but as my resignation has leaked out, I feel that I ought to give the public my reasons.

If you will remember, I accepted the office of president with great reluctance, vainly hoping that I might by some method unite the Equity into one body, with one desire only. I joined hands with my brother farmers who had taken up what I thought was my fight, and as I thought it was my fight I ought to give my little help to my own cause. I thought then that Equity was a great movement, and I still think so, and that every farmer should realize that their interests were our common interests. I used every persuasion and argument that I could think of to get my brother farmers to think as I did, but I found it the same old story, "many men of many minds."

To go back, my every effort was to try to keep peace in our own ranks, and to try to get the outsider to join us, ever using peaceful pleading and never once can I be accused of using harsh language to anyone or of making threats direct or indirect. I offered every plan that my mind could conceive to unite all people. But, alas, I failed.

Then on the day that there was such a crowd in town, on a November day, when it looked like the two factions were shaking their fists at each other, I was trying to, and did get the buyers to accede to a request not to receive tobacco until December 16, hoping in the meantime to get the various counties together and to get them to consent to sell the 1907 crop from the wagon, a plan that I fondly hoped would be the means of uniting the so-called "dumper," Home and Louisville warehouse people in one body, which plan, if carried out, would have had the effect of immediately putting at an end forever any thoughts of trouble, but it seemed that I again was doomed to disappointment.

I had now exhausted my resources and having no hope of being able to accomplish anything in the future for the good of the cause of Equity and appreciating that my still encumbering the presidency might keep some one else, more capable than myself, from solving the problem, I gave my resignation to that end. I want to assure you with all the honesty of which my nature is capable that I feel that we will not now nor at any time be confronted with the deplorable conditions of the Clarksville district. Respectfully,

HENRY S. BERRY.

Lee Lewis, a boy fourteen years of age, was arrested yesterday and placed in the lockup on suspicion of having broken into the furnishing goods store of John H. Berry & Son Wednesday night. He will probably be given an examining trial in the city court this morning.

The store was broken into and robbed of about $5 and possibly some merchandise. Entrance was effected by breaking out a pane of glass in a basement window in the rear. WOMEN'S WOES

Owensboro Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Backache causes more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. G. W. Fitzgerald, 529 Mulberry street, Owensboro, Ky., says: "I wish to say that Doan's Kidney Pills is a reliable kidney remedy. I was in a bad way, could not sleep nights, had backache, morning, noon and night, the kidney secretions were unhealthy in appearance, and I was annoyed by having to rise frequently at night. We got Doan's Kidney Pills at Smith & Bates' drug store and had not taken many doses before I was so greatly relieved that I could sleep soundly, the headaches left me and my back regained its accustomed strength. I have been feeling better in every way since using Doan's Kidney Pills than before in years."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
